Chairman's Reflection

From Milestones to Achievements: A Journey of Excellence

Tara Convent School proudly marks a historic milestone by becoming the first ICSE-affiliated school in the region of Talwandi Sabo. This achievement reflects our unwavering commitment to delivering high-quality, value-based education and sets a new benchmark for academic excellence in this area.

We believe every child carries immense, inherent potential, and it is our duty to nurture that potential through a holistic framework that balances academics with moral and cultural values. In today's rapidly evolving world, education must go beyond examinations—it must prepare students with creativity, critical thinking, emotional intelligence, and resilience to face life's challenges.

Our students continue to excel across academics, sports, and co-curricular activities. These accomplishments are a proud reflection of their teamwork, determination, and the guidance of their dedicated coaches, as well as the steadfast support of parents.

As Chairman, I take immense pride in the vision and values that guide our institution. Our mission is to shape not only achievers but also responsible citizens who will contribute meaningfully to society.

I extend my warmest wishes to our students, faculty, parents, and well-wishers for continued unity, growth, and success in the years ahead.

Together, let us continue to inspire young minds, ignite dreams, and build a brighter future.

Lashman Dass Garg

Chairman

"Dream, dream, dream. Dreams transform into thoughts and thoughts result in action."

Leading from the front

Nurturing Lifelong Learning

At Tara Convent School, we offer a curriculum that emphasizes conceptual understanding, critical thinking, creativity, and strong language skills, preparing our students to thrive academically and personally in a competitive and dynamic world.

Our focus goes beyond textbooks. We strive to nurture curiosity, resilience, and ethical values, ensuring that each child develops into a confident, compassionate, and well-rounded individual. The dedication of our teachers and staff plays a vital role in creating a supportive environment where learning is both meaningful and engaging.

I also take pride in congratulating our students for their achievements in academics, sports, and co-curricular activities. Your hard work and perseverance continue to inspire the entire school community.

With the continued support of parents, faculty, and students, we are committed to building a vibrant school culture rooted in excellence, integrity, and inclusiveness, empowering every learner to reach their fullest potential.

Let us continue to ignite curiosity, embrace challenges, and strive for greatness, ensuring that every student not only achieves but also inspires.

Suman Bala

(M.A., B.Ed.)

Principal

"Education is the most powerful weapon which you can use to change the world."

TCS Mission :

At Tara Convent School, we are committed to empowering every student through a rich and comprehensive educational experience. Our mission encompasses:

- **Developing Essential Life Skills:** Cultivating leadership, perseverance, and integrity to equip every learner with the competencies needed for life and responsible citizenship.
- **Promoting Strength-Based Learning:** Providing robust, evidence-based learning opportunities that harness each student's unique strengths and support their academic growth.
- **Nurturing Character:** Instilling moral values, motivation, and self-discipline within a caring, inclusive environment, ensuring every child is respected, inspired, and encouraged to thrive.

TCS Vision:

Our vision is to be recognized as a leader in holistic education, committed to nurturing the maximum potential of every learner. We strive to create a learning atmosphere that is inspiring, challenging, and supportive, guiding students to become well-rounded, confident, and socially responsible individuals.

“Education is the movement from darkness to light.”

A Journey through the Legacy of Tara Convent School

Nestled in the heart of Talwandi Sabo, Punjab, Tara Convent School has established a legacy of excellence in education and holistic development. Founded in April 2017 with a clear vision to nurture the innate potential of every child and shape them into lifelong learners and future leaders, the school provides value-based learning in a rural setting, growing into a beacon of academic achievement and character-building.

From its inception, Tara Convent School has been committed to holistic education, fostering not only academic excellence but also the emotional, physical, moral, cultural, and social development of its students. The founders envisioned an institution where every child's inborn abilities could flourish within a balanced and comprehensive curriculum, bridging the gap between traditional education and modern pedagogical approaches. This commitment to well-rounded growth quickly established the school as a centre of quality education and values-driven learning in the region.

In April 2024, Tara Convent School expanded to a new, state-of-the-art campus, enhancing the learning environment with modern facilities, innovative teaching methods, and comprehensive co-curricular programs. This upgraded infrastructure involves creativity, exploration, and holistic development, ensuring that students thrive academically, socially, and personally, and are well-prepared for the challenges of the future.

A landmark milestone was achieved in August 2025, when the school received affiliation from ICSE Board, becoming the first ICSE-affiliated school in the region of Talwandi Sabo. This milestone reflects the school's dedication to high academic standards, future-ready education, and global competencies.

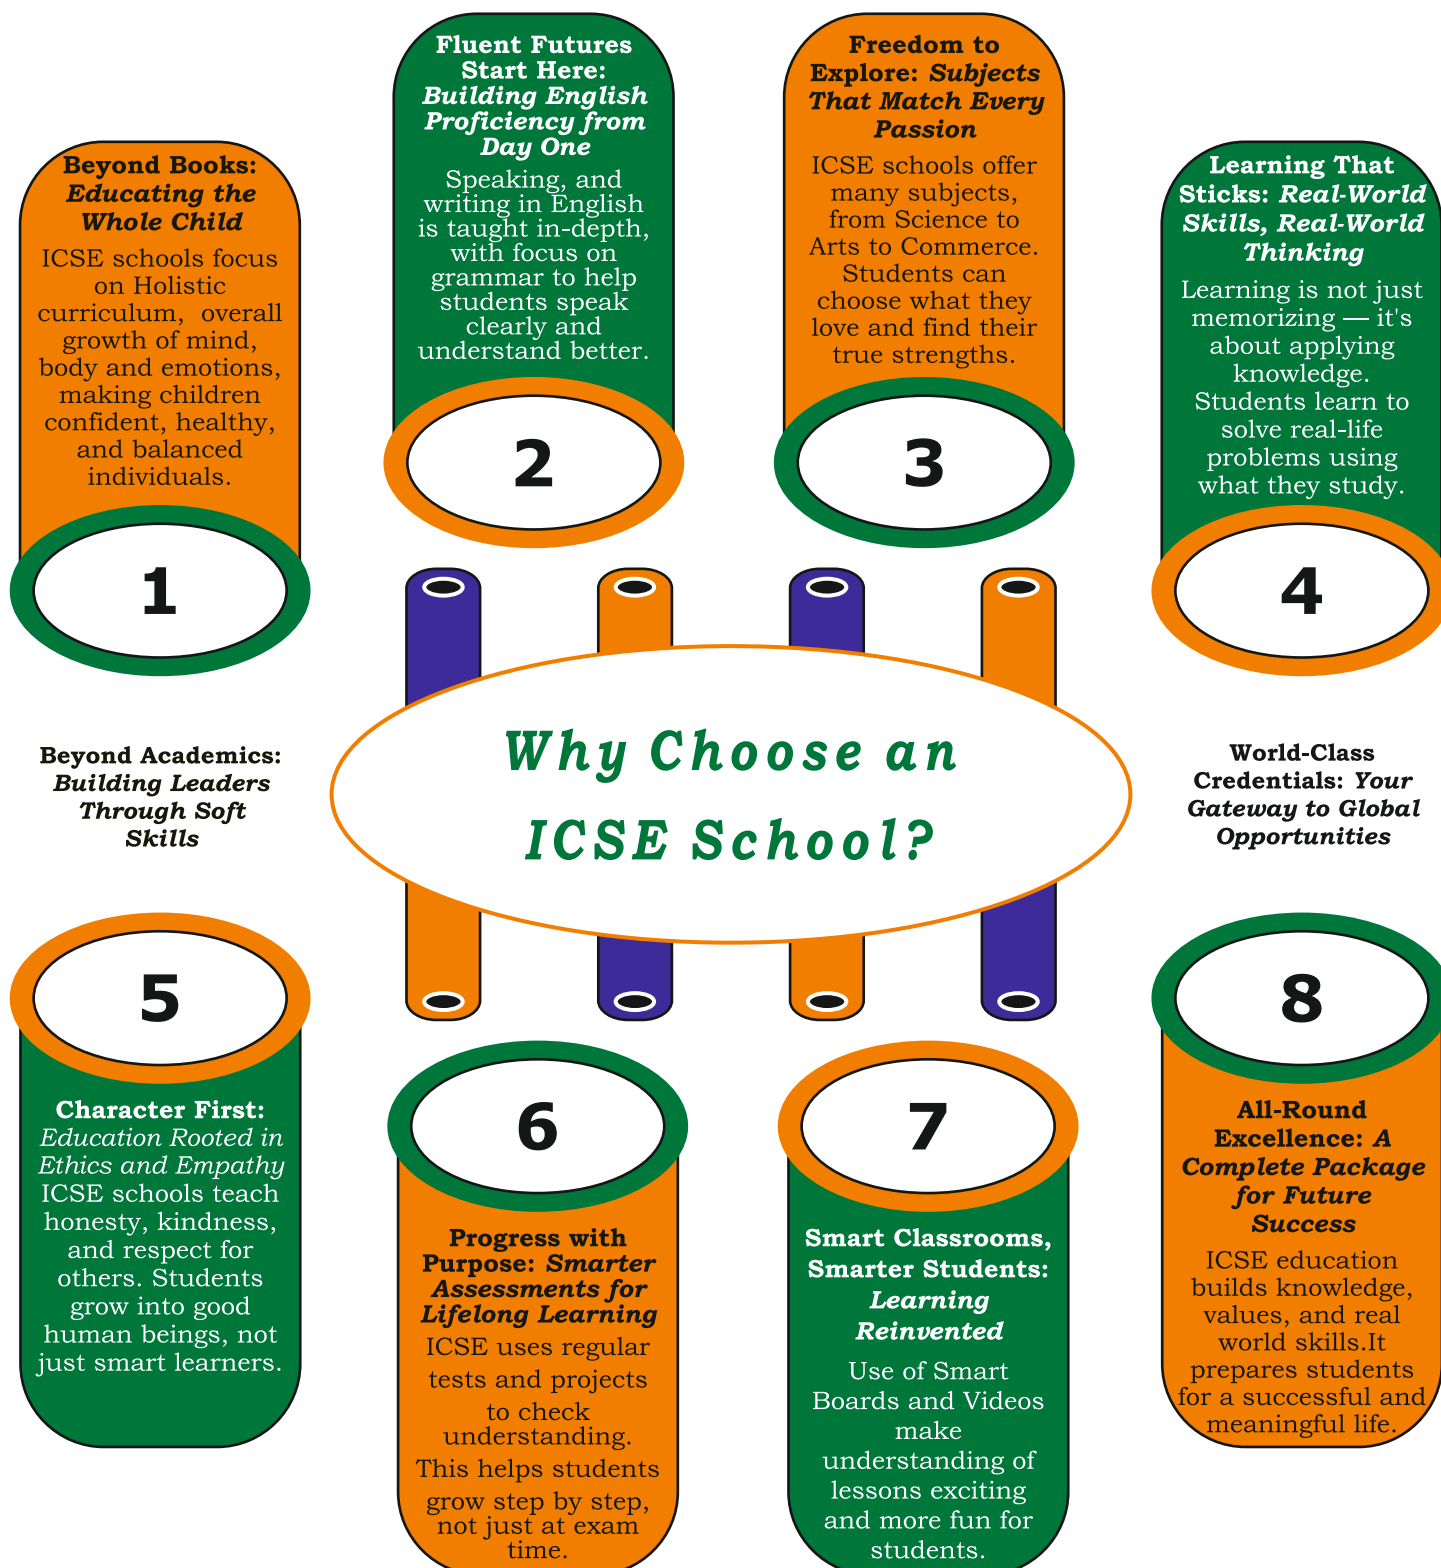

Guided by its vision and mission, and supported by dedicated educators, committed staff, and engaged parents, Tara Convent School has cultivated a vibrant culture rooted in excellence, integrity, and inclusiveness. Today, it stands as a symbol of quality education, shaping students not only into achievers but also responsible, compassionate, and confident citizens of tomorrow.

"Education is not just about filling minds with knowledge, but about inspiring hearts and shaping lives."

Tracing the History of ICSE

In 1958 the Indian Certificate of Secondary Education (ICSE) was established by the Council for the Indian School Certificate Examinations (CISCE). It was created to replace the existing regional boards and to provides students across India with access to uniform and balanced curriculum. The ICSE Board's Primary Objective was to establish a comprehensive educational framework that provides equal importance to academics, extra curricular activities and overall growth of students.

"Education breeds confidence, Confidence breeds hopes, Hope breeds peace."

The Exploring Years

The Ascent Years

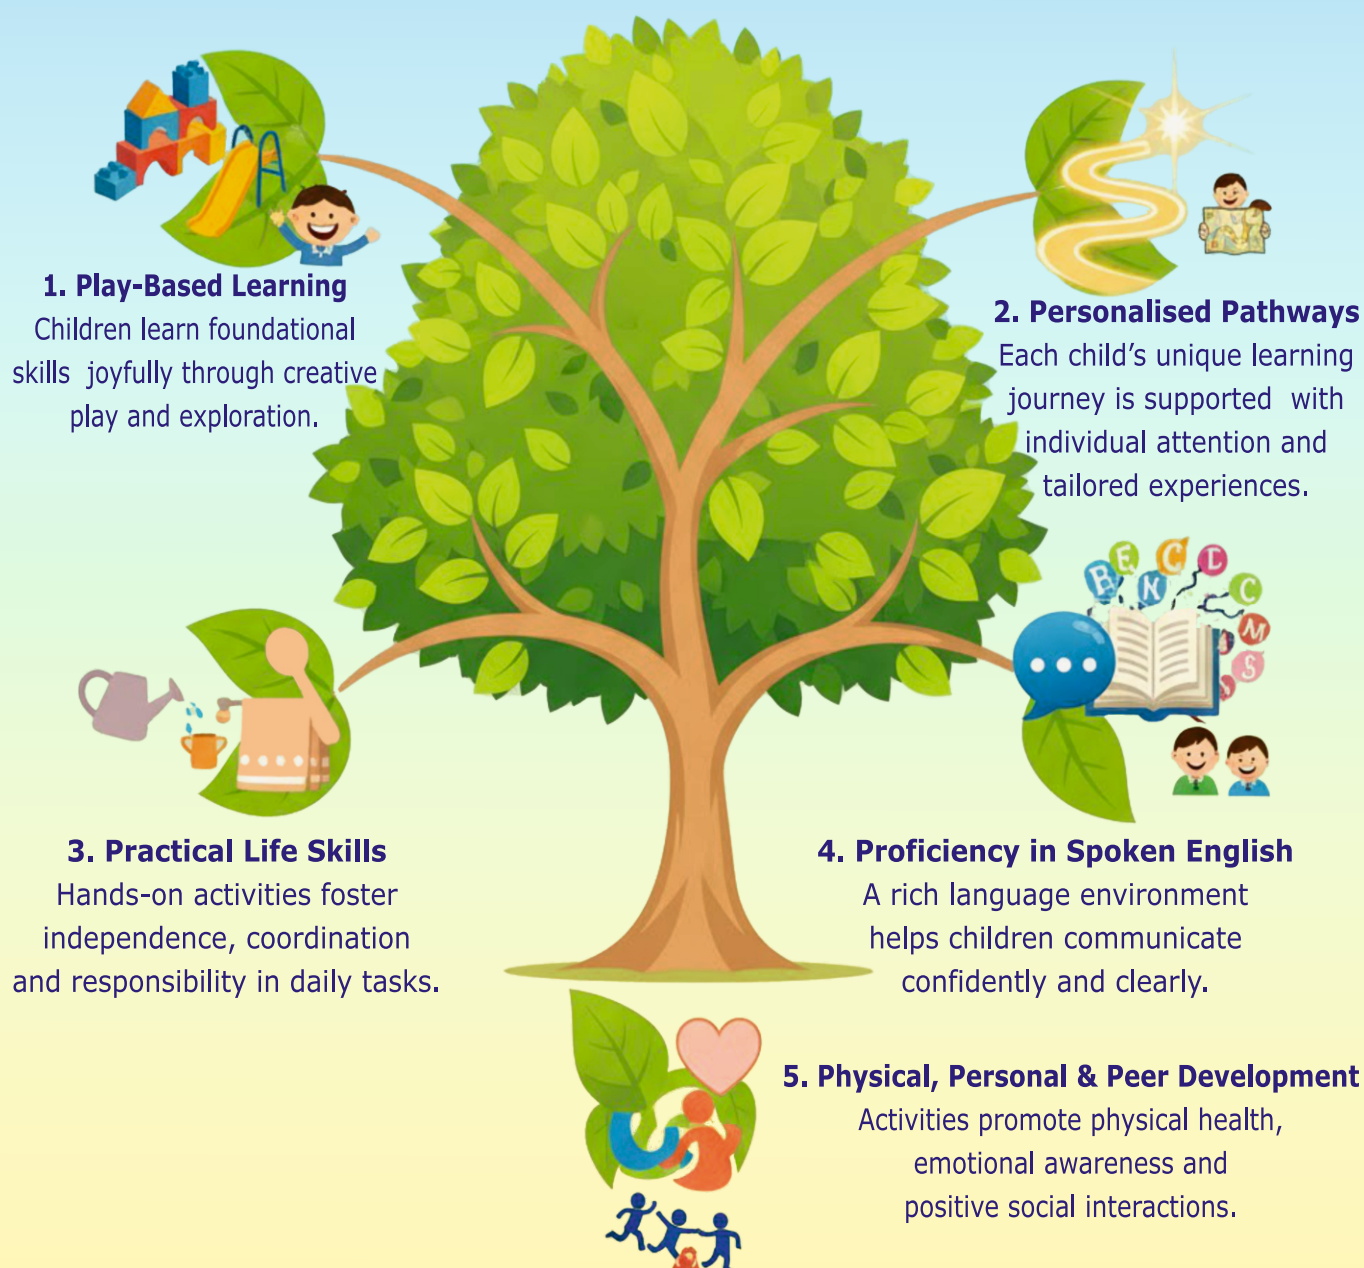

“Education is the key to unlock the golden door of freedom.”

*****The Blooming Years at TCS*****

Where Young Roots Grow with Love!

At TCS, the **Pre-Primary** are filled with joy, exploration, and meaningful learning. We provide a nurturing environment where every child is encouraged to grow at their own pace and in their own unique way.

The 5 P's

"We do not just prepare children for school, we prepare them for life."

****The Sparkling Years at TCS****

Where Little Minds Shine Bright!

At TCS, the **Primary Grades** are a magical time — full of imagination, discovery, and delightful “aha!” moments. These are the years when confidence grows, friendships blossom, and learning becomes a joyful adventure.

We guide our students through these precious years with our 5 S’ — five joyful steps that help every child sparkle in their own way.

The 5 S’s

Seedling Curiosity

Just like tiny seeds sprouting in sunshine, our children’s questions and wonders are nurtured every day. Learning begins with “Why?”, “How?”, and “What if?” — and grows into a garden of discovery!

Spark of Creativity

We believe every child is an artist, an inventor, a dreamer. Through music, art, dance, and design, children express themselves freely and find joy in creating something new.

Speak with Confidence

From morning greetings to show-and-tell, from poetry recitals to group discussions — we nurture voices that are kind, clear, and full of courage.

Sharing & Caring

We teach more than facts — we teach friendship, fairness, and feelings. Our classrooms are mini-communities where teamwork and kindness come first.

Stretch & Shine

Whether it’s solving a tricky puzzle or trying a new sport, we encourage children to stretch their minds and bodies — learning that challenges help us grow strong and proud.

"We don't just prepare children for the next class — we prepare them for a life of curiosity, courage, and joy."

**** The Exploring Years at TCS****

Where Curiosity Leads the Way!

In **Grades 6 to 8**, students at TCS step into the exciting world of independence, ideas, and identity. These are **The Exploring Years** — a time when learners ask deeper questions, take bolder steps, and begin to discover who they are and what they care about.

Our carefully crafted approach guides students through this journey with **our **5E's** — five empowering experiences that help every child explore with confidence, purpose, and heart.

"We prepare them to navigate the world with courage, compassion, and a spirit of exploration."

**** The Ascent Years at TCS ****

Where Purpose Meets Passion !

In **Grades 9 and 10**, students begin a powerful climb — one that leads from self-awareness to self-mastery. These are **The Ascent Years** at TCS: a time for rising to challenges, refining strengths, and discovering what truly drives each individual.

With deeper learning, growing independence, and purposeful guidance, we support our students through five focused pillars — that help them rise with resilience, confidence, and clarity.

The 5 A's

"We don't just prepare students for the next Grade; we prepare them to rise with vision, voice, and values."

Learning Is Fun & Engaging Where Learning Comes Alive, Beyond The Books.. (Co-curricular Activities)

At TCS, we see education as a journey that extends far beyond classroom walls. True learning comes alive when students apply knowledge, explore their passions, and discover their strengths in real-world contexts. That's why co-curricular activities are not "extras" here—they are an integral part of our educational philosophy.

Every activity at TCS is a stage for growth. These experiences shape confident, compassionate, and capable individuals who are ready to embrace life with purpose.

Fields of Excellence – Sports at TCS

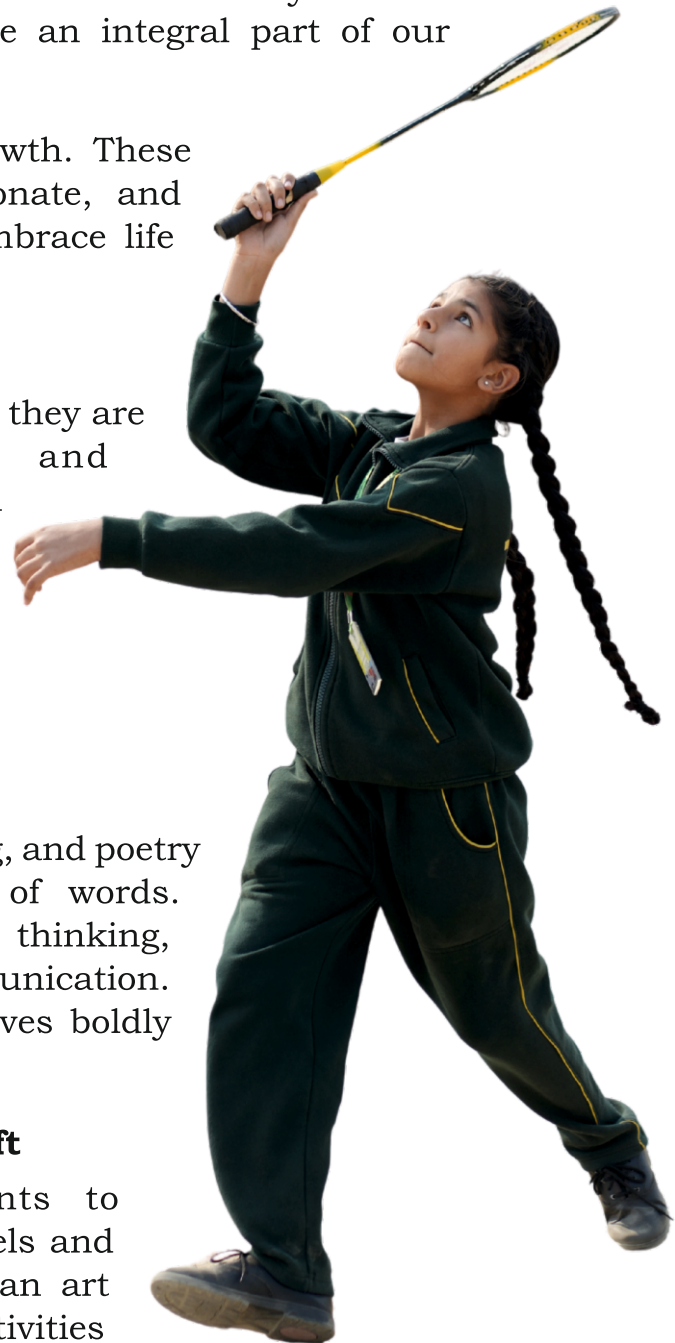

Sports at TCS are not just about winning; they are about building strength, stamina, and sportsmanship. From athletics and football to indoor games and yoga, students learn teamwork, resilience, and leadership while enjoying the thrill of competition. Every game becomes a lesson in character and discipline.

Voices of Expression – Literary Pursuits

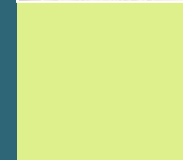

Through debates, elocutions, essay writing, and poetry recitals, students discover the power of words. Literary events at TCS cultivate critical thinking, clarity of thought, and confidence in communication. They inspire learners to express themselves boldly and creatively.

Hands that Create – Model Making & Craft

Our creative labs encourage students to transform imagination into tangible models and projects. Whether it's a science model, an art piece, or a working prototype, these activities sharpen problem-solving, innovation, and design skills. Every creation reflects curiosity and originality.

"Education's purpose is to replace an empty mind with an open one. "

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great."

Colours of Culture at TCS

Festivals, cultural days, and national observances are celebrated with equal enthusiasm. These events foster respect for heritage, appreciation of diversity, and a sense of belonging. Celebrations at TCS become joyful experiences that bring the entire community together.

Showcasing Brilliance – Annual Events

The annual day, sports meet, and exhibitions are milestones in the school year. These events provide every child an opportunity to shine on stage, in performance, or through display of talent. They embody the spirit, creativity, and collective achievements of TCS.

Stage of Dreams – Drama & Performing Arts

The performing arts program gives students a stage to explore acting, music, dance, and theatre. By expressing themselves in front of an audience, learners build confidence, creativity, and collaboration. The stage becomes a space where hidden talents come alive.

Future Ready Minds – Artificial Intelligence

At TCS, students engage with AI through workshops, coding challenges, and innovation labs. They learn to think logically, analyze data, and apply technology to real-world problems. This early exposure prepares them to lead in a rapidly changing digital era.

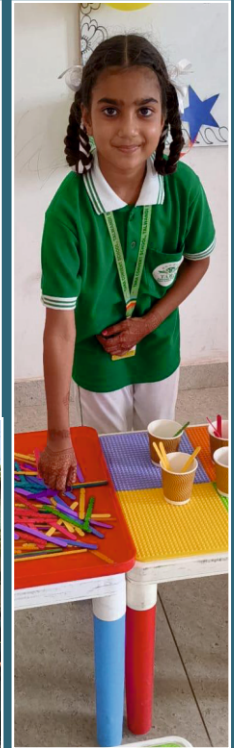

Power of Words – Language Lab

Our language lab blends technology with learning to build strong communication skills. Interactive tools help students improve pronunciation, vocabulary, and fluency in multiple languages. It equips them with the confidence to connect globally.

Curious Minds at Work – Innovation & Discovery

Science fairs, robotics, and research projects fuel curiosity and creativity. Students are encouraged to experiment, question, and find solutions, nurturing a spirit of discovery. At TCS, innovation is not just taught—it is experienced.

"Wisdom is the ability to apply knowledge."

Infrastructure @ TCS

At Tara Convent School (TCS), we believe that a supportive, safe, and modern learning environment is essential for holistic student development. Our well-planned infrastructure provides students with access to high-quality academic resources, creative spaces, and co-curricular facilities. From smart classrooms and science labs to a fully equipped library, playgrounds, and music rooms — every part of our campus is designed to inspire learning and nurture young minds.

CLASSROOMS

Our classrooms are designed to ensure comfort, concentration, and creativity. They are fully air-conditioned and equipped with smart boards, projectors, and modern seating. Each classroom includes a hot case, helping students enjoy warm, home-packed meals during lunchtime.

PHYSICS LAB

The Physics Lab is equipped with advanced instruments and learning models to help students experiment with core physics concepts like motion, energy, magnetism, and light.

CHEMISTRY LAB

Our Chemistry Lab provides a safe and structured space for students to conduct experiments, understand reactions, and apply theoretical knowledge practically. All safety protocols are strictly followed, with trained staff on hand at all times.

"Education is not just about filling a pail, but the lighting of a fire."

BIOLOGY LAB

With microscopes, preserved specimens, charts, and models, the Biology Lab supports interactive exploration of the life sciences. Students gain practical insight into anatomy, ecosystems, cells, and other biological phenomena.

COMPUTER LAB

Our fully equipped Computer Lab gives students individual access to modern systems with updated software. Lessons in digital literacy, internet safety, coding, and productivity tools ensure students are future-ready in a digital world.

PLAYGROUND

The school boasts a spacious playground that supports various sports such as football, cricket, volleyball, athletics, and more. Physical education and games are a regular part of the curriculum, encouraging health, teamwork, and leadership.

LIBRARY

The school library is a quiet and inviting space that encourages a lifelong love for reading. It houses a rich collection of storybooks, reference materials, encyclopedias, academic journals, and digital resources.

"The mind once enlightened cannot again become dark."

Beyond the Classroom: Our Vibrant School Clubs

Clubs are an essential part of holistic education, helping students explore interests beyond the classroom. By participating in clubs, students build confidence and develop valuable life skills. Together, they enrich the school experience and nurture well-rounded individuals.

LITERARY CLUB

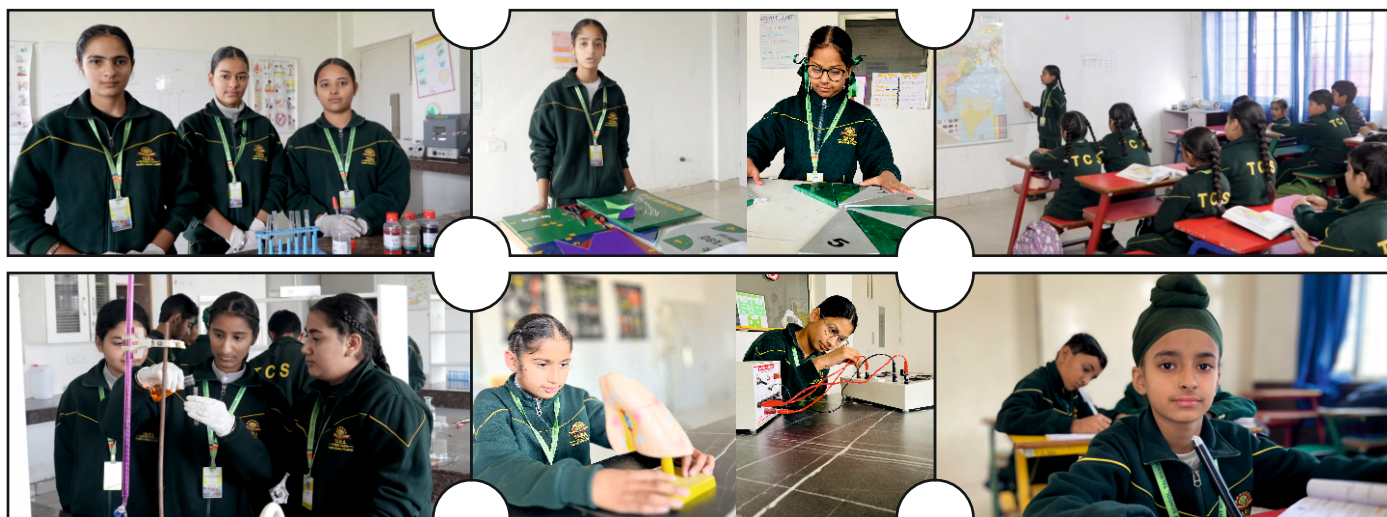

The Literary Club nurtures a love for reading, writing, and creative expression. Students explore literature, enhance their communication skills, and engage in activities like debates, poetry slams, and storytelling sessions.

COLOUR CRUSADERS CLUB

The Colour Crusaders Club is a creative space dedicated to the art of drawing and painting. Students explore different techniques, styles, and mediums to express their imagination on paper.

THE SCIENCE WHIZZES CLUB

The Science Whizzes Club sparks curiosity and a love for discovery through hands-on learning. Students conduct simple experiments, explore scientific concepts, and learn by doing. The club encourages observation, inquiry, and problem-solving skills in a fun and engaging way.

MATH BRIGADE CLUB

The Math Brigade Club transforms numbers into fun! It sharpens problem-solving skills through games, puzzles, math relays, and logic challenges, helping students see the beauty and excitement in mathematics.

QUIZ WARRIORS CLUB

The Quiz Warriors Club is for students who love a good challenge and thirst for knowledge. With quiz bowls, trivia tournaments, and brain-teasing competitions, the club builds general awareness, teamwork, and quick thinking.

"Education is simply the soul of a society as it passes from one generation to another."

Our Houses, Our Strength A Place to Belong, A Spirit to Lead

At Tara Convent School, our House System fosters teamwork, leadership, and school spirit. Students are assigned to Houses upon joining and participate in academic, cultural, and sports competitions throughout the year. This system builds confidence, cooperation, and a strong sense of belonging across all age groups.

TAKSHASHILA HOUSE

Takshashila was one of the world's earliest universities, known for its pioneering spirit in education across many disciplines. The color red symbolizes energy, passion, and courage—qualities that inspire members of Takshashila to lead boldly and strive for excellence.

VIKRAMSHILA HOUSE

Vikramshila was a great center of learning famous for its wisdom and scholarly pursuits. The colour blue represents calmness, intelligence and loyalty—reflecting the dedication and clarity of mind encouraged in Vikramshila's members.

PANCHSHILA HOUSE

Derived from the Sanskrit term meaning “Five Principles,” Panchshila represents values like peace, respect, and harmony essential for personal and social growth. The color green stands for growth, balance, and renewal, symbolizing how Panchshila nurtures cooperation, creativity, and a spirit of unity.

NALANDA HOUSE

Nalanda was one of the oldest and most renowned universities in ancient times, famous for its vast knowledge and vibrant learning environment. The colour yellow signifies optimism, brightness, and enthusiasm, inspiring members of Nalanda to approach learning with joy and positivity.

"Where minds unite, excellence begins."

Strong Teachers –Stronger Future

AT THE HEART OF A SCHOOL'S TRANSFORMATION IS THE TEACHER

At Tara Convent School, our teachers are more than educators — they are mentors, motivators, and role models. With a deep commitment to both academic excellence and character-building, TCS teachers create a nurturing and inspiring learning environment. They blend traditional values with modern teaching methods to guide students toward becoming confident, responsible, and compassionate individuals. Their dedication, care, and continuous professional growth are the pillars of our school's success.

CELEBRATING STUDENTS' ACHIEVEMENTS

At Tara Convent School, we take pride in the accomplishments of our students across academics, sports, cultural activities, and leadership roles.

Their success reflects not only talent and hard work but also the values of perseverance, discipline, and excellence that we nurture every day.

Whether on stage, in the classroom, or on the field, our students continue to make us proud at school, district, state, and national levels.

HEALTHY HEARTS, BRIGHT MINDS

At Tara Convent School, the health and well-being of our students are of utmost importance. We believe that a healthy student is better equipped to learn, grow, and thrive. Our comprehensive student healthcare services are designed to provide a safe and supportive environment where every child feels cared for—physically, emotionally, and mentally.

"When learning is supported and talent is nurtured, achievement becomes inevitable."

Academic Evaluation System

Examinations play a key role in evaluating the academic growth and understanding of students. At our institution, we follow a structured examination pattern spread across the academic year.

The academic year will be divided into three terms, with term examinations scheduled as follows:

First Term: July

Second Term: October

Final Term: February

In addition to term examinations, monthly tests will be conducted regularly to assess students' continuous academic progress. These periodic assessments help track performance and provide timely feedback to both students and parents.

To ensure thorough preparation, a 15-day revision period will be scheduled prior to each term examination. During this time, key concepts will be revisited, and students will receive targeted support to reinforce their learning.

Structured Communication with Parents

At Tara Convent School, we value the role of parents as essential partners in a child's educational journey. To ensure continuous support and progress, we hold Parent-Teacher Meetings (PTMs) after each term, providing a platform to discuss students' academic performance, behaviour, and overall development.

Parents are invited class-wise in scheduled turns, allowing for focused, meaningful conversations with teachers. These meetings also serve as an opportunity for parents to share insights into their child's activities and behaviour at home, helping us understand and support each student better.

Through this structured communication, we aim to build a strong home-school connection that nurtures the academic and personal growth of every child.

Chairman's Interaction with CISCE Leadership

Our Chairman, along with senior school representatives, participated in the 68th Annual Conference of the Association of Schools for the Indian School Certificate Examination (CISCE). During the event, the Chairman had an interaction with Dr. Joseph Emmanuel, Chief Executive & Secretary of CISCE New Delhi; Mr. Sudhir Joshi, Regional Secretary for Uttar Pradesh & Uttarakhand; and Mr. Vinod Rao, Regional Secretary for the North West Region.

"One child, One Teacher, One Book and One Pen can change the World."

Field Trips: Learning by Exploring the Real World

LEARNING EXPEDITIONS: REAL-WORLD DISCOVERY IN ACTION

At TCS Tara Convent School, our field trips are more than just excursions — they are immersive learning expeditions.

Students step out of the classroom and into the real world, where they explore, observe, and engage with their environment. These hands-on experiences deepen understanding, ignite curiosity, and transform learning into lasting memories.

Healthcare & Wellness

REGULAR HEALTH CHECK-UPS

We conduct annual health check-ups in association with certified medical professionals. These include:

- ☐ General physical examinations
- ☐ Dental and eye check-ups
- ☐ Height and weight monitoring

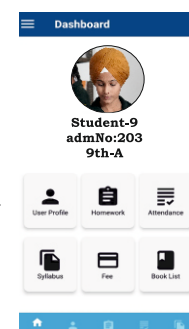

Parents are informed of any concerns identified during these screenings to ensure further care as needed.

MENTAL AND EMOTIONAL WELL-BEING

We recognize the importance of emotional and mental health in a child's overall development. Our school counsellor is available to support students with academic stress, peer interactions, or personal concerns through confidential counselling sessions.

TARA CONVENT SCHOOL APP

Stay connected with Tara Convent School through our convenient school app! Parents can easily access all essential information in one place – check homework assignments, syllabus, and exam schedules, track students' progress with real-time attendance and grades, and stay updated on school holidays, activities, and announcements. Parents can also pay fees securely online and receive instant receipts. With push notifications for important alerts, the app ensures nothing is missed.

"Learning grows deeper when the world becomes the textbook."

Admission Guidelines

A Clear and Caring Admission Process at Tara Convent School

1. Admission Inquiry

Parents/guardians must first complete an Admission Inquiry Form, providing details about the child and parents. The form can be filled:

- ◆ Offline by visiting the school office during working hours.
- ◆ Online via our official school website.

2. Admission Procedure

Admission for all classes begins with an informal interaction involving the child, parents /guardians, the Principal, and the Admission Counselor.

- ◆ For Grade 1 and above, students are also required to appear for a written entrance examination.
- ◆ The date and time of the interaction and/or entrance exam will be communicated directly to parents.

3. Admission Confirmation

The final decision regarding admission and class placement is taken by the school management, based on:

- ◆ Performance in the interaction or entrance exam
- ◆ Age appropriateness and seat availability

4. Registration & Fee Payment

Once admission is confirmed, parents must pay:

- ◆ A non-refundable Registration Fee
- ◆ The First Installment of the annual school fee
- ◆ Payment options include:
 - ◆ Offline at the School Accounts Office (8:00 a.m. – 2:00 p.m. on working days)
 - ◆ Online Payment via the school's secure payment gateway
 - ◆ Parents may also choose to pay the full annual fee in one installment.

5. Required Documents

At the time of admission, the following documents must be submitted:

- ◆ Birth Certificate issued by the Municipal Corporation
- ◆ Photographs: Recent passport-sized photographs of the student-3, passport-sized photograph of the father-1, passport-sized photograph of the mother-1, family photograph (child with parents/guardian)- 1
- ◆ Transfer Certificate / School Leaving Certificate from the previous school
- ◆ Progress Report Card of the last academic year (as applicable)
- ◆ E-Punjab Certificate (as applicable)
- ◆ UDISE certificate

Need Assistance?

For further information, please contact our Admission Office or visit the official school website.

School Transport

Safe, Reliable and Well-Organized Transport Service

At Tara Convent School, we understand that a safe and efficient transport system is essential for the comfort and well-being of our students and their families. Our fleet of school buses is operated by trained drivers and accompanied by responsible attendants to ensure the safety and security of every child from the moment they leave home until they return. Each bus is equipped with First-aid kits for emergencies, GPS tracking systems.

Our transport service is not just about getting students to and from school — it's an extension of the safe, nurturing environment provided on campus.

School Uniform Guidelines

Neatness, discipline and uniformity reflect the TCS school spirit.

Summer Uniform

Pre-Primary Wing

(Nursery, Junior KG, and Senior KG)

Boys: Multi-colour striped shirt with Kelly green shorts

Girls: Multi-colour striped shirt with Kelly green skirt

Primary to Senior Classes

(Grade 1 onwards)

Boys: Umber and grey striped shirt with umber-colored trousers

Girls: Umber and grey striped shirt with umber-colored skirts

Winter Uniform

Pre-Primary Wing

(Nursery, Junior KG, and Senior KG)

Boys & Girls : Tweed blazer and winter track suits.

Primary to Senior Classes

(Grade 1 onwards)

Boys & Girls : Tweed blazer and winter track suits.

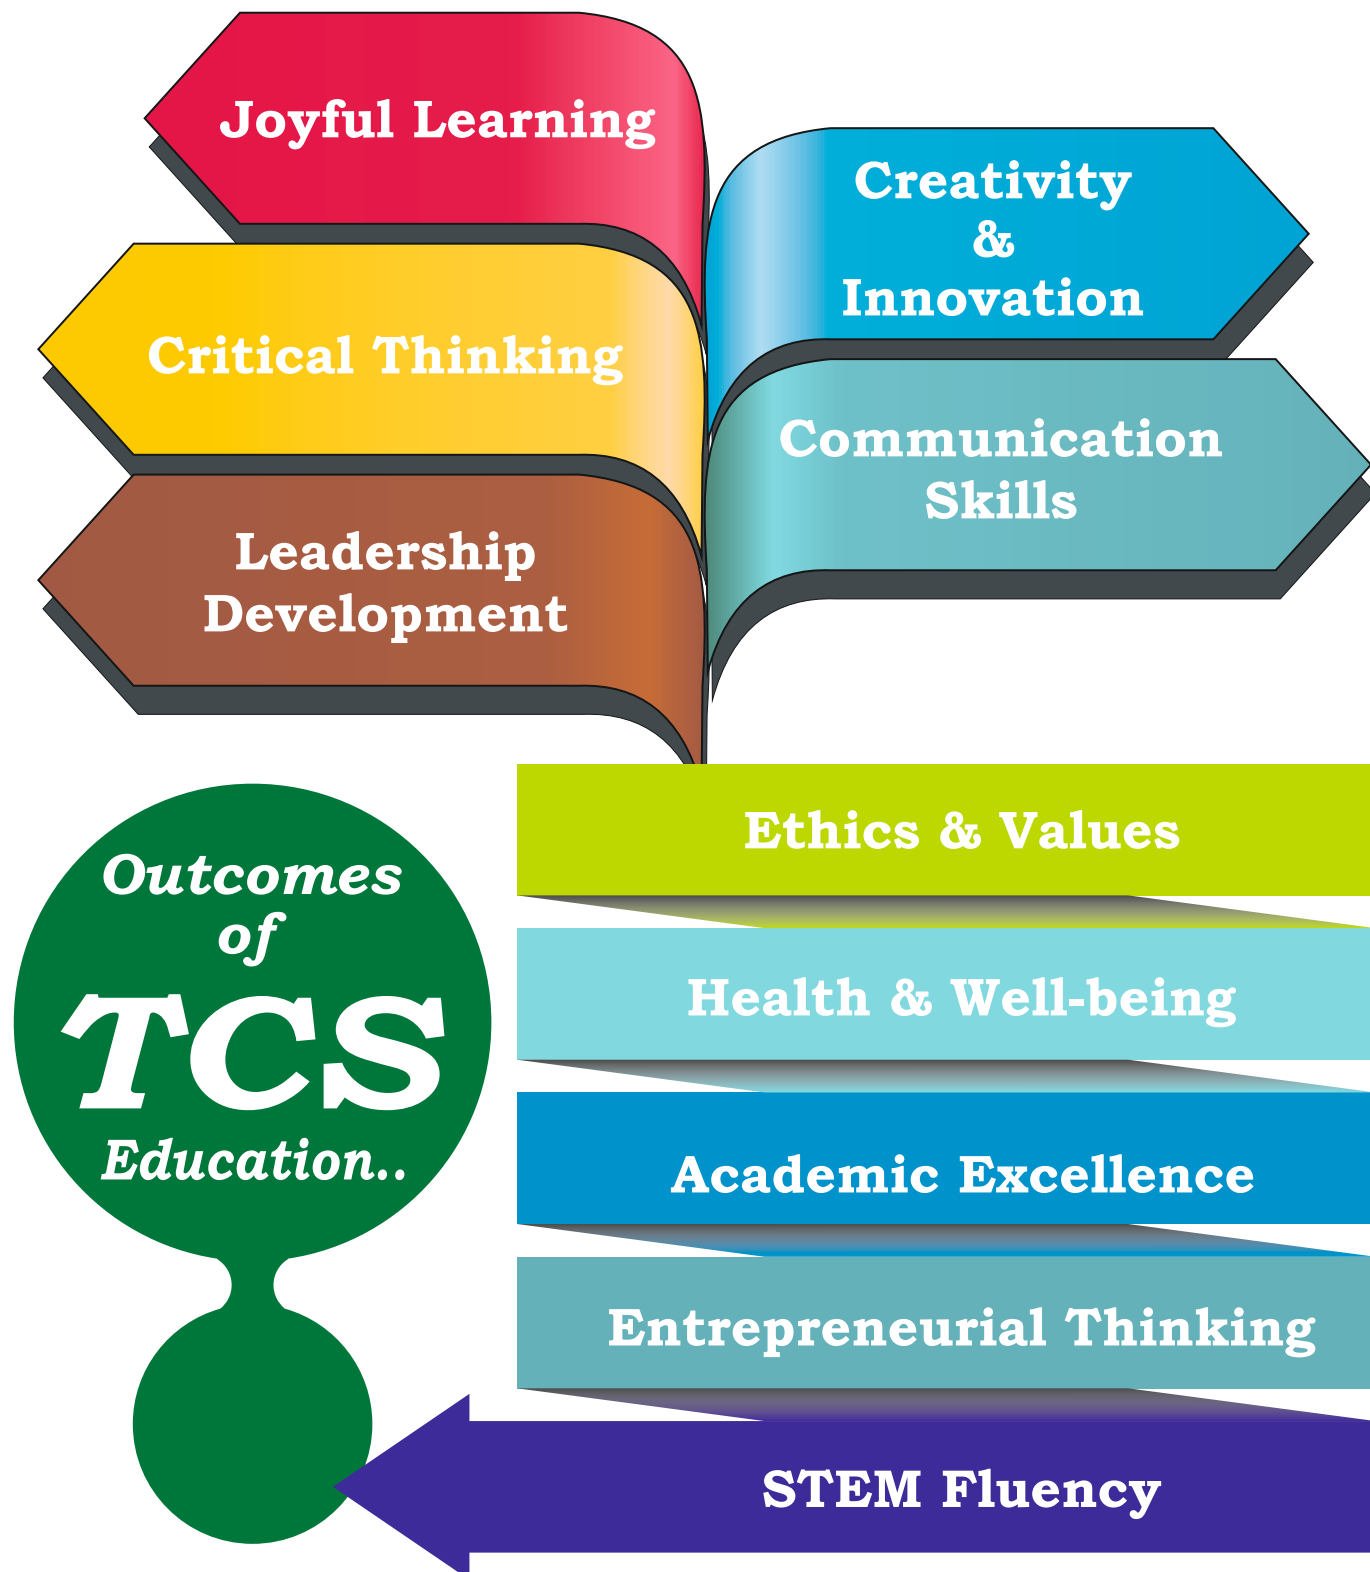

General Dress Code Rules

1. Black leather shoes are compulsory (well-polished)
2. School tie, belt, and socks must be worn daily
3. Uniform must be neatly ironed and presentable
4. For morning prayer, students are required to wear a patka (if applicable)

"We will take a hand, open a mind touch a heart and shape the future."

A Broader & Bolder Education

Every child today deserves broader and bolder education. Universal Values, Global Understanding, Excellence in All Things and Service to Humanity are the four building blocks and surest foundation of an education for world citizenship. TCS prepares children to face the uncertainties of tomorrow with certitude.

"Education that inspires growth confidence and real world understanding."

From the Pen of **TCS** *Core Team*

Lily Joys J
Academic Coordinator

Tara Convent School, a place where every child learns with joy, confidence, and curiosity.

At Tara Convent School, we believe education is not only about marks and exams — it's about helping students understand concepts deeply and apply them in real-life situations. We follow a concept-based and activity-based learning methodology that makes every lesson fun, meaningful, and practical. Students learn by doing, exploring, and asking questions — not just by memorizing. Here, students are inquirers and critical thinkers. They are encouraged to think independently, share ideas, and find creative solutions to problems. We guide and inspire students through hands-on activities, projects, and discussions that connect classroom learning to the real world. At Tara Convent School, we take pride in our academic excellence and strong moral values. Every child is nurtured to reach their full potential and become a responsible global citizen.

Tara Convent School — where values meet excellence, and learning comes to life!

Veerpal Kaur
Chemistry Teacher

Our curriculum blends hands-on experiments and real-world applications, igniting curiosity and innovation.

Labs foster exploration and critical thinking. Students don't just learn science—they experience it! A journey of discovery awaits every inquisitive mind. Nurturing young scientists with passion and purpose.

Upkarjeet Singh
Social Science Teacher

Every student is at the heart of our endeavour. We nurture moral values, integrity, and respect, shaping responsible citizens. General Knowledge enriches their curiosity about the world, broadening perspectives. Here, learning goes beyond books—it builds character and confidence.

"Tara Convent School stands for Quality education rooted in values and vision."

"At TCS, education is more than subjects and exams
we don't just educate, we inspire, empower,
and shape leaders of tomorrow."
